Travel Radio Australia Granted Official Media Accreditation for Pacific Airshow Gold Coast 2026

Gold Coast, Queensland – Diamond Media Group is pleased to announce that **Travel Radio Australia** has been granted official media accreditation for **Pacific Airshow Gold Coast 2026**, one of Australia's premier aviation and lifestyle events.

The accreditation provides Travel Radio Australia with official media access to cover the internationally recognised airshow, which attracts world-class military and civilian aircraft, elite aerobatic performers and hundreds of thousands of spectators to the Gold Coast each year.

Travel Radio Australia will produce comprehensive multimedia coverage throughout the event, including interviews with organisers and participants, destination features, aviation news, photography, video content and social media updates, showcasing both the event and the Gold Coast as one of Australia's leading tourism destinations.

Executive Producer **Geoff Harrison** said the accreditation reflects Travel Radio Australia's continued commitment to delivering quality travel and event coverage to audiences across Australia and internationally.

"We are delighted to receive official media accreditation for Pacific Airshow Gold Coast 2026. The event has quickly established itself as one of Australia's signature aviation spectacles, combining world-class flying displays with the unique backdrop of the Gold Coast's beaches and skyline. We look forward to sharing the excitement of the event with our audience through interviews, feature stories, photography and digital coverage."

Pacific Airshow Gold Coast has earned an international reputation for bringing together military fast jets, civilian aerobatic performers, vintage aircraft and aerial demonstrations in a spectacular beachfront setting. The event also delivers significant economic and tourism benefits to the Gold Coast region, attracting visitors from across Australia and overseas.

Coverage from Pacific Airshow Gold Coast 2026 will be published across Travel Radio Australia's radio programming, podcast platforms, website and social media channels, together with Diamond Media Group's expanding digital media network.

This latest accreditation continues Diamond Media Group's growing involvement in covering major Australian events and supports its mission of producing engaging travel, tourism and lifestyle content across multiple media platforms.

About Travel Radio Australia

Travel Radio Australia is Australia's dedicated travel broadcasting platform, producing interviews, destination features, tourism news and travel-related programming for audiences across Australia and around the world. Operating under Diamond Media Group, the network showcases destinations, tourism experiences, major events and industry developments through radio, podcasting, online publishing and digital media.
